(CAP. 204)

CENTRAL CREDIT REGISTER

Ref: CBM/14

DIRECTIVE NO 14
CENTRAL CREDIT REGISTER

Issued on: 15th February 2016

Amended on: 1st March 2018

INTRODUCTION

1. In terms of article 24(2) of the Central Bank of Malta Act (Cap. 204) (hereinafter referred to as “the Act”), the Central Bank of Malta (hereinafter referred to as “the Bank”) has been empowered to make directives in respect of, *inter alia*, the organisation and functioning of a Central Credit Register (hereinafter referred to as “the Register”) held at the Bank. For the purposes of this Directive, terms used in this Directive shall have the same meaning as is assigned to them under the Act.

SCOPE AND APPLICATION

2. This Directive lays down rules concerning the obligations of credit institutions to provide information in relation to the Register and their right of access to information held on the Register.
3. This Directive shall apply without prejudice to the Data Protection Act (Cap. 440 of the Laws of Malta).
4. Without prejudice to paragraph 3, credit institutions shall inform existing counterparties that data, including personal data, in relation to any credit facility granted, will be made available on the said Register for the purposes of this Directive.

DEFINITIONS

5. In this Directive, unless the context otherwise requires:

‘Connected parties’ refers to affiliates operating within the same group of companies;

‘Counterparty’ means a physical or legal person who has an exposure with a credit institution in Malta, excluding a credit institution, whether licensed in Malta or abroad, and the Bank;

‘Exposure’ means loans, advances, overdrafts, credit lines, financial guarantees or any other credit facility in any currency which, considered individually, exceed €5,000 or the equivalent in a foreign currency calculated on the basis of exchange rates published on the website of the European Central Bank.

REPORTING REQUIREMENTS

6. Credit institutions shall provide the information to be held on the Register as specified in Annex I of this Directive. Every credit institution shall report to the Bank the end-of-month balances of exposures related to the credit operations as listed in Annex I by the twentieth calendar day of the month following the reference month to which they relate. The first reference month shall be the first month following the date of issuance of this Directive.
7. Credit institutions shall be fully responsible for the correctness and completeness of the information they provide in relation to the Register. They are exclusively responsible for amending or rectifying it, on their own initiative or at the request of their counterparties or the Bank, whenever errors or omissions occur.
8. Only the data submitted in relation to the previous twenty-four months up to the latest reference period shall be available on the Register. Data related to exposures that were designated as at least one of past due more than 90 days, forbore or written-off shall be available on the Register for a period of five years.

RIGHT TO ACCESS INFORMATION

9. A credit institution may access information held on the Register as indicated in Annex I.

Information accessed shall not include reference to the credit institution granting it. The information accessed shall be used exclusively by the requesting credit institution and shall not be transmitted to third parties, in full or in part. Institutions granted access to the Register shall only use the information accessed for the assessment of credit risk.
10. The credit institution making a request to access information held on the Register shall provide evidence by electronic means of an application or request signed by the counterparty for the granting of credit or any other service leading to an exposure of the credit institution to the counterparty. This requirement is satisfied by submission of an information request notification form drawn in accordance with Annex II. Access to the Register shall be given for a period of two months on information related to the counterparty following the submission of the signed request notification form in electronic format. The information request notification form is not required to access information on a credit institution's existing counterparties and access to information on existing counterparties shall be made available whenever required.

A credit institution may also access information on any exposures of persons who are proposed to act as guarantors in relation to an exposure, provided that the credit institution provides evidence by electronic means of an information request notification form signed by the guarantor. For the avoidance of doubt, the Register shall not store information on the guarantees being offered by persons in relation to an exposure.

A credit institution may further access information held on the Register on connected parties of a counterparty where the connected parties have given their consent by signing the information request notification form. Access shall only be granted to information on the Register relating to those of the connected parties which have signed the form. The signed form is to be submitted to the Bank in electronic format prior to obtaining access to the Register to information on connected parties.

- 11.** A credit institution shall designate a number of its officials as its authorised representatives for the purpose of granting exclusive access to the Register in terms of paragraph 9 and shall notify the Bank in writing. It shall be at the discretion of the Bank to impose limits on the number of officials that may be granted access to the Register in respect of each credit institution.

- 12.** Counterparties, or their lawful representatives, requesting to exercise the right to have an extract of the information kept on them on the Register under article 24(3) of the Act shall first make such request in writing and subsequently call at the Bank by appointment, presenting an identity card or passport in case of an individual or the relevant certificates of incorporation in case of a legal person. The lawful representative should also present his identity card and proof, to the satisfaction of the Bank, of a power of attorney or other certification confirming that he is authorised to act as the counterparty's representative. The said extract of information shall comprise the details indicated in Annex I of this Directive.

MISCELLANEOUS

- 13.** The Schedule of Fees in Annex III of this Directive shall be applicable in respect of credit institutions requesting access to the information held on the Register and to counterparties who are legal persons requesting an extract of information kept on them on the Register.

- 14.** In case of breach of this Directive, the Bank shall have the right to impose sanctions in accordance with article 56 of the Act and the provisions of Central Bank of Malta Directive No 12 on Administrative Measures and Penalties for Infringements under the Act.
