

## Reuben Borg

Mr Borg works as an economist at the European Commission's DG ECFIN and helps coordinate the Commission's economic forecasts. He also worked at the European Central Bank, the UK's Government Economic Service, and the Central Bank of Malta. During his career, Mr Borg has worked extensively in the areas of economic modelling and forecasting, monetary policy and financial market analysis. Recently he also served as a senior policy officer and negotiator for the Maltese government during its Presidency of the Council of the EU in 2017.
