

Stefano Siviero

Dr Siviero is the Head of the Economic Outlook and Monetary Policy Directorate within the Directorate General for Economics, Statistics and Research of the Bank of Italy. He also serves as the Bank of Italy's representative on the ECB's Monetary Policy Committee. He has published numerous articles in Italian and international scientific journals, on topics mostly relating to macroeconomic modelling and monetary economics, and has taught statistics, econometrics and international and monetary economics at universities in Italy and abroad.
