

Scholarship in Coin Design and Engraving

*The Central Bank of Malta invites applications from suitably talented citizens of Member States of the European Union for one scholarship to undertake studies and training at an international school in the area of **Coin Design and Engraving** with a view to provide his/her services to the Bank after successful completion of the course abroad and a period of stipended apprenticeship in Malta.*

Competences and Potential

Applicants will be requested to provide tangible and practical evidence of their artistic and technical competences and potential. In depth familiarisation with Malta's historical and cultural characteristics is a critical asset.

Selection Process

Short-listed applicants will be requested to submit a portfolio and will be invited to attend an extended interview which will include a practical demonstration of their skills and creative aptitude.

Conditions

The Bank is offering financial support to cover tuition fees, adequate travel, accommodation and living expenses. Additional financial support will be discussed with the successful candidate.

Method of Application

Applications including a portfolio should be sent to Chief Officer Human Resources, Central Bank of Malta, on email careers@centralbankmalta.org by not later than Friday 14 February 2020.
